**Subject:** [External] Route 9 turning arrows agreement

Hi Mayor and Committee,

Firstly, as you are likely aware, there have been some glitches with the Livestream recordings this week. I hope your meeting goes well without any issues.

Second, I am writing regarding your 2 resolutions authorizing paying the Township's fair share towards turning arrows on Kennedy and County Line Road at Route 9.

I am really thrilled that this matter is now settled and you are signing a money agreement with DOT for these worthy projects.

My question is regarding left turning arrows along Route 9, north of the lake (4th Street, 6th Street, 9th Street).

NJDOT sent the township a fee sharing agreement for installing these turning arrows back in August 2021.

Can you tell me when you anticipate authorizing signing those agreements as well?

Thanks!

Dear Mayor and Committee,

I am writing regarding the ordinances for first reading regarding the vacation of Steckler Street and the acceptance of the easement for the pocket park.

I truly appreciate that you are doing both ordinances all together so everyone - the developer and the residents - will get their fair share.

I know that the neighbors will immensely enjoy the future pocket park!

Thank you so much.

Eve Teichman

**Subject:** [External] Public comment - Route 9 turning arrows resolutions

Hi again,

I'm writing regarding the resolutions for the turning arrows on County Line and Kennedy at Route 9.

1) Did the state send you an actual cost, or only an agreement that the Township will pay 25% of whatever the cost turns out to be?

2) DOT sent this agreement to the Township back in August 2021. What took almost an entire year for you to finally agree to sign it? Did you not like the terms of the agreement?

Thanks!

Simcha Steinberg, still on Lanes Mill Road

Mayor Coles noted the agreement was signed by the Township in May 2021 and only returned by the State DOT earlier this year.

**From:** Simcha Steinberg

**Subject:** [External] Electric bus resolution

Good morning Mayor Coles and Committee,

I am writing regarding the electric bus resolution.

I understand that the Township applied for this electric bus grant for the Lakewood Shuttle Bus.

It's nice to see that you have now received this grant and that you have placed an order for the bus.

Do you know how long it will take until the bus is ready and delivered to Lakewood?

Thanks!

Simcha Steinberg, Lanes Mill Rd resident
